

FREE DUMP WEEKS
LOCKWOOD REGIONAL LANDFILL
April 20 to April 25, 2009
April 27 to April 29, 2009
7:00 a.m. to 4:30 p.m.
CLOSED SUNDAYS

This service is offered annually in conjunction with Earth Day activities and is to encourage the clean up of homes and neighborhoods. Citizens should take advantage of this free service provided by Waste Management to dispose of their items legally.

FAQ:

Can citizens dump for free at the landfill and Reno transfer station?

Yes, but just at the Lockwood Landfill.

Is there a limit to the number of times a citizen can dump during the week?

Citizens are encouraged to maximize their load so that as few trips as necessary are required. Unnecessary trips to the landfill create emissions that are harmful to the environment.

Is there a limit to the size of the load that would qualify for a free dump?

The service is for the residential consumer so we recommend a standard size pickup. Any load that is perceived as commercial will be charged at the posted gate rate.

Is there anything that you will not accept?

Only items from the normal waste stream will be accepted. No hazardous or special waste. Paint cans must be dried out or solidified with sand or kitty litter. The free dump does not include Freon removal on refrigerator items. Recycling of batteries, oil and anti-freeze is available.

Do citizens need to provide any type of proof of residency, etc?

This service is for citizens of Washoe County and they will be asked where they live.
