

# Indispensable Advice Given Here.

A Sustainable Pharmacy® starts with the capable guidance of our PharmEcologists.® Backed by the far-reaching expertise of Waste Management, our knowledgeable team works with you to reduce and manage pharmaceutical waste safely, efficiently and in full compliance with government regulations.

**Charlotte A. Smith, R.Ph., M.S., Director** | [csmith@pharmecology.com](mailto:csmith@pharmecology.com)

A pioneer in environmental practices for the pharmaceutical industry, Charlotte Smith brings 35 years of expertise to the position of director of PharmEcology® Services. In 2000, Smith founded PharmEcology® Associates, a provider of pharmaceutical waste management consulting services. She also co-founded, in 1991, Capital Returns, Inc., a pharma-

ceutical reverse distributor, and for 10 years served as president and chief regulatory advisor. Smith and her team have presented numerous seminars to a wide variety of professional associations in addition to providing pharmaceutical waste consulting services to hundreds of hospitals nationwide.

**John Brenna, R.Ph., PharmEcologist®** | [jbrenna@pharmecology.com](mailto:jbrenna@pharmecology.com)

John Brenna brings more than 30 years of experience in complex pharmacy operations to PharmEcology Services. Since 2005, he has performed more than 70 onsite pharmaceutical waste management reviews. Brenna has served in multiple capacities at Rochester Methodist and Saint Mary's

Hospitals at the Mayo Medical Center in Rochester, Minnesota, including as a pharmacy production lab supervisor. In addition, he has completed specialized training from the American College of Apothecaries, the University of Tennessee College of Pharmacy, and Associates of Cape Cod.

**Eric S. Kastango, MBA, R.Ph., FASHP, PharmEcologist®** | [ekastango@pharmecology.com](mailto:ekastango@pharmecology.com)

Eric Kastango has provided pharmacy-related consulting services to more than 500 hospitals in the United States, Canada and Australia. He is an elected member of the 2005–2010 Council of Experts, United States Pharmacopeia (USP) Sterile Compounding Committee, responsible for USP

Chapter <797>. Kastango has 30 years of experience and has practiced pharmacy in a number of practice settings (including hospitals, community, and homecare) and has served in many roles including vice president of pharmacy services for Coram Healthcare Corporation.

**Christopher Lomax, Pharm D., PharmEcologist®** | [clomax@pharmecology.com](mailto:clomax@pharmecology.com)

Christopher Lomax joins us after a 24-year career as the director of pharmacy at Children's Hospital Los Angeles (CHLA). Prior to CHLA, he worked as an intern, staff member and senior pharmacist at Cedars-Sinai Medical Center in Los Angeles. He was a founding member of the Pediatric

Pharmacy Administrative Group (PPAG), with the goal of uniting the practitioners of pediatric pharmacy practice throughout the country. Lomax is a registered pharmacist who received his Doctor of Pharmacy degree from the University of Southern California, School of Pharmacy.

**Dan Skalecki, R.Ph., PharmEcologist®, Business Development Manager** | [dscalecki@pharmecology.com](mailto:dscalecki@pharmecology.com)

Dan Skalecki brings more than 30 years of experience in the pharmaceutical industry to PharmEcology Services, where he has conducted numerous onsite pharmaceutical waste reviews. He has practiced clinical pharmacy in both hospital and long-term-care

settings and has also served in a variety of senior positions in the healthcare industry, including posts with established companies in pharmaceutical drug wholesaling, pharmaceutical manufacturing, home infusion, and national group purchasing.
