

# MedWaste PICK-UP SERVICE

**Safe Solutions for Medical Waste**

## **PREMIER MEDICAL WASTE SERVICES**

*For clinics, dental offices, surgery centers, skilled nursing facilities or other healthcare practices, accessing first-rate medical waste disposal services on a convenient schedule isn't always simple. Waste Management's MedWaste Pick-Up Service offers superior – and environmentally safe – solutions that help make sustainability not only possible, but profitable.*

### **Untold advantages.**

*With Waste Management as your medical waste services provider, you can enjoy the advantages of:*

- *Pick-ups scheduled for your convenience and routine*
- *Predictable billing, so you can budget accurately for waste services*
- *Billing at a flat or seasonally variable rate, as you prefer*
- *No hidden fees, so you know what you're paying for*
- *OSHA bloodborne pathogens training and support materials*

### **Working With You.**

*Our service offerings are simple and inexpensive, and they require minimal staff time. With a reliable, predictable and environmentally responsible program to handle your waste, you are free to concentrate on what you do best – taking care of your patients.*

**Call our Healthcare Solutions specialists at 1-866-803-7561 to request more information.**
